

Timmins and District Hospital  
Hôpital de Timmins et du district

**CEO Update  
July 2015**

My name is Blaise MacNeil and I am the new President and CEO of TADH as of June 1, 2015. I have over 25 years of experience as a CEO in progressively larger and complex health organizations with a degree of Bachelor of Science, Bachelor of Education, Master of Health Administration and Certified Management Accountant. Originally from Nova Scotia, I relocated to Timmins at the end of May. I am an advocate for quality and patient safety both within organizations I have managed, and nationally and internationally as a Surveyor with Accreditation Canada. For the past 14 years, I have served as President and CEO of the South West Nova District Health Authority, one of the largest integrated health regions in Nova Scotia which includes three acute care hospitals, public health, mental health, home care, addiction services and placement coordination services.
