Nurse Practitioner Acute Medical

Position Summary:

The Medical Program Nurse Practitioner (MED NP) is a role that operates to support clients admitted to the acute care service under the Hospitalist group and support organization of client flow within TADH. As the NP, your practice will include management of acute care and chronic care clients admitted and managed by the hospitalist service and support to hospitalists in the medical management of clients. You will work collaboratively with the interdisciplinary team to optimize client experience and as the successful candidate, you will practice to the full NP scope of practice by diagnosing, ordering and interpreting diagnostic tests, prescribing medication and assist with admission, management and discharge of clients in their hospital journey with the CNO Standards of Practice; Nurse Practitioners and policies of TADH.

Position Responsibilities:

- Provide comprehensive client care using advanced assessment skills and sound knowledge of clinical therapeutics
- Direct, provide and evaluate as holistic client care based on advanced nursing and medical management knowledge and skills.
- Perform and document comprehensive client assessments based on thorough history taking and physical examination.
- Identify and analyze client's physical and psychological health care problems.
- Develop plan of care in collaboration with the Hospitalists and the interdisciplinary team.
- Identify health education needs of clients and families independently or in collaboration with the interdisciplinary team.
- Identify, order and prioritize appropriate diagnostic test and procedures.
- Interpret laboratory/radiology and other test results.
- Communicate with and interpret to clients/families and community health care members diagnosis, treatment plan, and related implications.
- Accurately document assessment, plan, intervention, and evaluation of client/family responses in hospital chart.
- Liaise with staff regarding clients to communicate information and facilitate follow up care and treatment.
- Direct referrals to the appropriate health care professionals or services.
- Provide individual counselling/instruction to facilitate client/family understanding of specific health and life style problems.
- Assist individuals and families in coping with illness and treatment plan by guiding and supporting while providing an environment that promotes independence.
- Assist with admission, management and discharge of clients in their hospital journey.
- Capture relevant and required data as defined by the Ontario Health, HQO, Accreditation or other quality improvement strategies.

- Align improvement projects with the organization and monitor or adjust to achieve greater outcomes.
- Educate and promote health, safety and wellness in the work place.
- Perform other duties as required.

Position Requirements:

- Completion of accredited post BScN, Nurse Practitioner program
- Registered and in good standing with the College of Nurses of Ontario
- Minimum of 2 years' experience working with clients with acute and complex medical issues..
- Past experience working as an NP in an acute care setting considered an asset
- Experience in program development and education
- Demonstrated knowledge of evidence based practices
- Effective time management and ability to prioritize workload
- Must possess the ability to work with minimal supervision and must follow standardized procedures.
- Should be adaptable to cope with changing contacts with people, situations and conditions.
- Must have employment history which demonstrates regular attendance at work.
- Those who do not meet the language requirements of this posting are invited to submit their résumé for future consideration.
- Must possess the ability to provide effective services to clients/patients in both English and French. Individuals who do not meet the language requirements of this posting are invited to submit their résumé for consideration.
- Must have had at least one doses of the COVID vaccine.
- **Starting salary of \$60.99/hour; \$118,930.50/year (As per Step 1 of the ONA collective agreement.)**
- **Option to enroll into Healthcare of Ontario Pension Plan.**
